5. NEW AT RMIT – RMIT is offering two new degrees in 2016:  
   - The Bachelor of Engineering (Automotive Engineering) (Honours)/Bachelor of Industrial Design (Honours) double degree is a specialised program that addresses the ongoing demand for automotive engineers with an industrial design background. It is being offered due to the changing landscape of automotive manufacturing.  
   - The Bachelor of Analytics (Honours) provides students with complementary skills in analytics, tapping into studies in statistics, operations research, computer science, information technologies, business, economics, finance and marketing.

6. AUSTRALIAN CATHOLIC UNI NEWS –  
   - NEW COURSE IN 2016 – ACU’s new Bachelor of Teaching/Bachelor of Exercise Science course is now available for application through VTAC. It is expected that other new courses will be added to the VTAC website shortly (eg Bachelor of Law/Bachelor of Psychological Science).
   - PHYSIOTHERAPY IN 2017 – As announced previously, ACU (Ballarat campus) is introducing the Bachelor of Physiotherapy at its Ballarat campus in 2017. Current Year 12 students who are interested in this degree in 2017 might take a gap year, volunteer or study a different course whilst waiting to apply in 2016 for the 2017 start. Suggested pathways into the new degree are through the Early Achievers Program (EAP), or alternatively students might consider applying for another ACU course that has a lower Clearly-In. An internal transfer could then be considered if eligible (eg occupational therapy, and speech pathology have two first year units in common with physiotherapy, or study nursing, exercise and sports science or physical activity and health which have one first year subject in common). NOTE: There will be no mid-year entry to physiotherapy, and there are no plans for the course to be taught at the Melbourne campus of ACU.
